COUNSELLING REFERRAL FORM

The Butterfly & Phoenix Project provides one to one counselling (6-8 sessions) to young people aged 11-18. Counselling helps young people to explore triggers to their issues and helps them to identify and utilise alternative coping mechanisms.

Please note that we are a brief intervention, prevention service and cannot provide support in crisis situations. The Butterfly and Phoenix Project only operates during school term time and this will affect the waiting times.

Please fill out the form below and email it to counsellingteam@n-compass.org.uk
